

INTERGENERATIONAL POVERTY IN SANPETE COUNTY

THOUSANDS OF UTAH FAMILIES are living in intergenerational poverty — a situation of poverty and public assistance use that continues from one generation to the next. As part of the Intergenerational Welfare Reform Commission, Workforce Services is working with multiple state agencies and other key partners to understand intergenerational poverty and reduce the number of children who remain in this situation as adults.

AREAS OF CHILD WELL-BEING

6% of adults are experiencing intergenerational poverty (children 8%)

66% lack education beyond high school
